RE: Appreciation Letter – Development of Student Assessment Management System (SAMS)

Dear Anand,

We greatly appreciate the efforts taken by you to developing and implementing the Student Assessment Management system (SAMS) and also conducting training for the relevant staff in all the three branches of Botho College. The self motivated effort of yours apart from your normal work has been recognised and appreciated by all the users. We understand SAMS is being well used in all the branches to manage the OU Assessments, in particular Plagiarism monitoring.

In recognition of your efforts and in appreciation of your work we are pleased to inform you that you will be paid a one time incentive of Pula 10,000 (Ten Thousand Pula). We encourage you in continuing the good work and offer any support or assistance as might be required in your work.

Congratulations once again and well done.

Yours Sincerely,

Jaya Ramanarayanan
