# The Irresistible Metal Birds!

## Aviation Career Guidance Workshops

Most of the candidates, who have always wanted to be a part of the Aviation Industry, are unfortunately directionless and misplaced.

Candidates get fantasized with the High profile job of **Cabin Crew/Flight attendants/Air hostess/Airline Ground staff** but unfortunately don't know how to fulfill their dreams.

They are unable to find the right track and either end up spending exorbitant amount on useless Training or get trapped by **Fraudulent agencies** who take undue advantage of their naivety in this field.

**Special persona** is constantly putting in the effort to enlighten candidates by offering Training programs that focus on conducting need based trainings.

The programs are designed that best suit the candidates, their requirements and areas that need maximum focus.

**An Extensive Training Program and Irreplaceable Workshop at: Astha's learning gallery:**

**1. The High profile and irresistible Aviation world:** The kind of jobs one can look out for in the field of Aviation- based on your qualification and aspirations.

**2. To know what to know!** - What are the prerequisites for the job of a cabin crew? - The job of a Cabin Crew has certain prerequisites that must be attained and some physical attributes that must be a part of your personality, most of them are workable but unfortunately some are not doable at all! The candidates must know both.

One must know if he meets the criteria or not and not keep investing in a field that has requirements that the candidate cannot meet.

With Special Persona, you don't have to worry; we give you **lucrative sessions**, and a chance to be a part of a **interesting workshops** where **proper career guidance** is given to help you walk in the interview halls with confidence and Poise.

## Updating version Jelly bean!

### Personality development Workshop for School students-

**Aim: Learn a well balanced approach to achieve-**

**Enviably Knack, Knowledge and Attitude.**

A very exciting workshop for school and college students-

**For a life changing experience!**

**lets live aughan team!**

Every student wants to be a Rock star of his class and eventually wants to grab the best job in the market...well! It is not a cake walk, but...the good news is that it is achievable!

We will work on it...Together-

- ✓ to make life simpler,
- ✓ to unknot the issues that are making it so complicated for the students, to refresh all the senses,
- ✓ to detox and
- ✓ to experience the 'Wow' stored in us.

It is a breather workshop. Every student loves it so- so much that they want to be a part of it more than once! It targets every student- shy, extrovert, aggressive, submissive, over confident, over competitive, carefree, and even those well balanced souls that just need a break from their monotonous routine.

# Rangमंच

## Theatre Workshop for one n all

# The Power of theatre...It makes one immortal!

Feelings and Emotions must be expressed - to influence and satisfy our senses; they should not have an outburst to depress...

Bring them out, Let go, Let them free ...

Theatre is one of the greatest of all art forms. The best way through which Human beings can share the intangibles with one another. Theatre is the beauty of belongingness to Mankind.

At Astha's **Learning gallery** and **Special persona** Workshops, Candidates get a chance to bring out the artist hidden in them.

Many people are born with the ability to change someone's perspective or emotions; in fact they are not even aware of this talent most of the times!

One must not waste this God gifted talent. It is one of the most powerful gifts God can give –'The ability to influence'!.

is a stage where you get to meet the 'Real you'.

This workshop elaborates on a very interesting fact that all genuine performers bring to their role something more , something different than what the author/script writer puts on paper.

This brings out the **'Special Persona'** of each individual.

Allow to do the magic...to make you meet your through this exciting, engaging, motivating, and fulfilling workshop.
