# Your Learning from the training

## You

- will be able to identify supply & demand zones of any candlestick price chart independently.
- will be able to execute high probable positional as well as intra-day trades of your own.
- will be able to mark your entry, stop loss and target price independently.
- have clear idea of Open Interest and price relationship.
- WILL NEVER COMPROMISE WITH SMALL PROFITS IN FEAR OF LOOSING. YOU HAVE TRUST IN YOUR TRADE AFTER PLACEMENT.
