## TO WHOM IT MAY CONCERN

Rajasree G. has been a valuable member of our Senior School Staff for the past nine years.

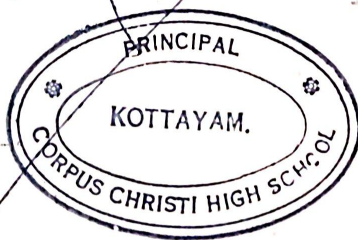

It is with deep regret that we bid her farewell as she leaves to join her husband in Muscat.

Rajasree has been an excellent teacher of Chemistry. The outstanding results which her students in ICSE (10) and ISC (12) have gained at the Public Examinations have brought her something of an All Kerala reputation !

In addition to her abilities as a Science Teacher, this school has relied much upon Rajasree's administrative ability. She now takes complete charge of time-table-making for the entire High School and is in charge of the conduct of all Examinations in our school.

Rajasree as a person is warm and friendly. She is loved by her colleagues and respected by the students.
