**To Whom It May Concern:**

As Principal, I Fr. Augustine .P engaged the service of Kiranay Solar Photovoltaics for an awareness program on Solar Photovoltaic Systems. This program included a theoretical lecture on the 14<sup>th</sup> of July 2015, and a practical demonstration for interested students on the 25<sup>th</sup> of July 2015. The sessions were conducted by Denny Davis. Denny's performance was good. Denny was enthusiastic and creative, yet flexible. He was quick to adapt to the ways we do things here at Christ School. The sessions were useful for the students; they have a better awareness and understanding of Solar Energy due to this program.

Sincerely,

Fr. Augustine P
