

4 Courses

Developing Your Musicianship

Musicianship: Chord Charts, Diatonic Chords, and Minor Keys

Musicianship: Tensions, Harmonic Function, and Modal Interchange

Developing Your Musicianship: Final Project

08/23/2020

Pakshaal K Jain

has successfully completed the online, non-credit Specialization

Developing Your Musicianship

In this specialization, learners developed an understanding of music theory, including major and minor tonalities, chord scales, song form, and chord qualities. The specialization also included ear training, enabling learners to audibly recognize various intervals, chord progressions, and chord qualities. Learners completed a capstone project at the end of the specialization to apply their new knowledge and skills in music theory and ear training.

Professor George W.
Russell, Jr.
Harmony and Piano
Departments
Berklee College of Music

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
