DATA SCIENCE

Education Details
- ✓ Name : Venkatrao DS
- ✓ Education : MCA with Artificial Intelligence Specialization
- ✓ Data Science : IIM Bangalore

IT Experience :
- ✓ Total IT Experience: 20+Years
  - **Analytics and Data Science :- 14 Years**
    - ✓ Data Science
    - ✓ Salesforce Wave analytics
    - ✓ SAP BI/BW
  - **Functional :**
    - ✓ Oracle Apps Functional: 6 Years

Major Clients :
- ✓ Major Clients worked for - GE Energy, GE Capital, GE Health Care, NATUS, NCH, etc.
- ✓ Currently working for one of the International Channel as a Practice head

Skill Set :
- ✓ **Data science:**
  Visualization and summarization, Big data Analytics, Mining, Estimations, Quality, modeling, etc
- ✓ **Tools/Apps:**
  MS Excel, R Console, R Rattle,R-Studio SAS, SAS Miner, SPSS, WEKA, Scela, Pig, Hive, Map Reduce, No SQL, SOQL, Wave analytics, etc.

Data Science Projects:

- ✓ **127 Projects on following domains** :-
  Finance, Health Care, Education, Pharma, Sports, Real Estate, Trading, Sales and Services, Agriculture, Banks, etc

Training Experience :

- ✓ **Analytics and Data Science Training Experience :**
  4 Years 27 Batches (Online-9,offline-11,Coporate-7 batches)

What the world is saying about Analytics and Data Science?
1) The sexiest job in the 21 century Harvard business review
2) Market Growth: By 2018, data science jobs in the U.S. will exceed 490,000, with fewer than 200,000 available data scientists to fill these positions (McKinsey & Co.)
3) There will be a shortage of 200,000 trained data analysts in India
4) Average Salary: Between $116,000 and $163,500 in 2017 (Forbes)
5) Job openings: Shortage of up to 1.5 million by 2018 (McKinsey & Co.)
