- Pre work, Post learning assessment

Learning Cycle
### Connected Learner Experience

5 Receive feedback

1 Introduce topic or concept

2 Explore *Curriculum Adventure* and *Action Research Trek*

3 Practice with connected colleagues

4 Apply learning in local context

Dos and Don'ts

| Dos	Don'ts
Be regular to classes	Do not memorise or regurgitate information
Do not skip classes just because you know the topic	Focus too much on Grammar, Pronunciation or Vocabulary as independent elements
Practice as much as possible, even if you are good in a topic	Rely on last minute preparation
Be familiar with the exam pattern, exam day procedure	Worry, be happy!!
Say "S" to read and listen to an unfamiliar topic	Do not damage any of the property in the premises.
Say "S" to unlearn some bad habits	
Do your pre-work before coming to the class	
Seek help or support on anything that you feel is relevant for the exam.
