Respected Sir,

I am Jayashree.T., 37 years old, coming to your "yoga class" from past 15 days. I had been suffering from diabetes, acidity and knee joint pain. To cure this problems I have joined yoga classes. I am experiences a lot of changes in my body from doing yoga. I think it will be surely useful a lot for many purposes. I hope for much more positive changes by doing so and oblige

Thanking you

Your's faithfully,
Jayashree.T
