

## Exam Prep Courses for German (Goethe/telc/ECL)

Exam and Certification Tests can sure make one feel anxious, but with the right resources and a little bit of external guidance it can be a smooth sailing experience.

While it is highly recommended that you target the highest level of certification you need, & write its test some may want to write all the exams right from CEFR A1 to C2.

I offer guidance for Goethe, telc & ECL exams. The details are below:

CEFR	Exam Name	Hours range (min-max)		Price per hour (INR)
A1	Goethe/telc	10-12 (full test)		400
A2	Goethe	12-14 (full test)		500
A2	telc	12-14 (full test)		500
A2	ECL	10-12 (full test)		500
B1	Goethe/telc	10-14 H&L	12-16 S&S	600
B1	ECL	10-14 H&L	12-16 S&S	600
B2	Goethe	12-16 H&L	12-16 S&S	700
B2	telc	12-16 H&L	12-16 S&S	700
B2	ECL	12-16 H&L	12-16 S&S	700

The prices above are for the exams for both children (under 16) & adults (above 16).

- Listening and Reading tasks will be assigned as homework, so that the class time will be maximized for speaking and writing practice.
- You will be recommended to buy at least 1 test prep book (ideally, Mit Erfolg... or Prüfungstraining...). You can borrow it from the local Goethe or other local German library or buy it second hand, if available/possible.
- The test prep course also comes with 1 grammar revision book for CEFR A1-A2 and 2 grammar revision books for CEFR B1-B2. You need **not** pay extra for it.
- Course Price can be paid after each hour or in groups of 5-15 hours as needed.
- All the sessions will strictly be one-on-one, but you can bring a partner or more with you whose availability for class and learning goal aligns with yours.
