

Sujet Pronoms

(Subject pronouns)

Je (I)

Nous (We)

Tu (you)

Vous (you)

Il (He)

Ils (They)

Elle(She)

Elles (They)

Notes:

Je- It is used as 'I' in English. It is singular and used for any gender.

Tu- It is used as 'you' in English. It is used for singular in nature and informal as well.

Il- It is used as 'he' in English. It is singular in nature and masculine as well.

Elle- It is used as 'She' in English. It is singular in nature and feminine as well.

Nous- It is used as 'We' in English. It is plural and can be used for masculine and feminine both.

Vous- It is used as 'You' in English. It is plural and Formal way of saying you.

Ils- It is used as 'They' in English. It is plural and masculine as well.

Elles- It is used as 'They' in English. It is plural and feminine as well.

In case there are group of boys and girls and we need to use they for them, we will use *Ils* in that case.
