Basic German Language Skills - Revised

This online German language course from Alison will introduce you to basic German vocabulary and grammar which will take you one step closer to your first perfect German conversation. Germany is internationally recognized as the industrial and economic powerhouse of Europe, so a working knowledge of German is essential for professionals in areas such as business, finance, economics, and politics. This course will make learning the German language a little easier and more rewarding.

Modules Studied

Module 1: Basic German Language Skills

Module 2: Course assessment
