A Band Score for each of the four modules as well as an overall score is recorded on the Test Report Form. This allows receiving institutions to clearly identify the candidates' strengths and weaknesses. These Band Scores are recorded on the Test Report Form along with details of the candidate's nationality, first language and date of birth. The Test Report Form indicates whether it is for an Academic or General Training candidate. Each Band corresponds to a descriptive statement giving a summary of the English of a candidate classified at that level. Overall Band Scores can be reported in either whole or half Bands.

**The nine bands and their descriptive statements are as follows:**

**Band - 9 Expert User**

Has fully operational command of the language: appropriate, accurate and fluent with complete understanding.

**Band - 8 Very Good User**

Has fully operational command of the language with only occasional unsystematic inaccuracies. Misunderstandings may occur in unfamiliar situations. Handles complex detailed argumentation well.

**Band - 7 Good User**

Has operational command of the language, though with occasional inaccuracies, and misunderstandings in some situations. Generally handles complex language well and understands detailed reasoning.

**Band - 6 Competent User**

**Band - 5 Modest User**

Has partial command of the language, coping with overall meaning in most situations, though is likely to make many mistakes. Should be able to handle basic communication in own field.
