# **ONLINE IELTS TRAINING**

#### COURSE STRUCTURE FOR INDIVIDUAL TRAINING

Prepared by Mr. Vishnu Chaithanya

## **OVERVIEW & PURPOSE**

This course aims to prepare students to appear for both the Academic as well as the General Training versions of the IELTS exam and secure a higher band score. This program helps you to quickly master the foundations of the IELTS exam.

### **BATCH SIZE & SELECTION**

- 1. This course will be delivered to each student through *individual sessions*.
- 2. Classes will begin after evaluating the result of the *Initial Assessment Test*.
- 3. The *Initial Assessment Test* is fundamentally similar to a mock IELTS test that consists of all four modules of a real exam, except for the fact that one has to attend it from their own home. This pretest also has a grammar section to evaluate the current proficiency of a student in English Language.

## **COURSE DURATION**

- 1. One full program extends upto 7 *weeks* with **30 online sessions** on **4 days a** *week*.
- 2. The *first 5 days* will be completely dedicated to the *orientation classes* on the 4 modules of the exam. These sessions will be provided in a conference call using the *'Zoom'* application.
- 3. Once the orientation is completed, the students will be given *daily practice materials* to run-over the techniques and lessons learnt from the orientation classes.

Out of these 30 classes there will be orientation classes for the first 6 days and speaking practice sessions for 20 days through live conference calls. The students will also get correction sessions or doubt clarification sessions of 30 mins each after every writing task. The answers of listening and reading will already be visible to the students once they submit the tests online.

## **COURSE INFORMATION**

- 1. This course helps the students to acquire the knowledge and adeptness to maneuver the IELTS exam and secure high bands.
- 2. The course introduces various modules of the exam and the types of questions in each of them to students. For example, the *Listening* and *Reading* modules consist of a variety of questions like Multiple Choice, Sentence Completion, Summary Completion and so on. The orientation classes are aimed to bring up the possible errors committed by students and useful tips to avoid such mistakes.
- 3. The introductory classes educate students on how to write infographic reports and essays effectively. These classes will discuss the various types of questions usually asked in exams and deliver compendious analysis of each type.
- 4. The *speaking sessions* will either be conducted individually or in a group of two. Each session will last for 40 mins in which every student will attend a complete speaking test as it is done in a real exam.
- 5. Speaking sessions start only after the orientation classes.
- 6. **Speaking practice** and **discussions** will begin once the orientation is over. During this session the student can share his/her doubts and seek clarification from the trainer.
- 7. All *practice materials* shall be completed and submitted online which gives the student a feel of Computer Based IELTS.
- 8. *Mock Tests* will be conducted every weekend after the orientation.

## TRAINER PROFILE

I, *Mr. Vishnu Chaithanya Venugopal* or *Mr. Vish*, as I am often called, has completed the Trainer's training from both the British Council and IDP Australia. I hold a certificate for the same from *IDP Australia*. Moreover, this is nothing but an extension of what I was doing all throughout my career, from a sales executive in India to a care coordinator in Canada. Even though I used to train people while doing other jobs this has become a full-time career to me for the past three years. Before turning into a committed online trainer I had worked with some of the prestigious English Training Academies in Kerala.
