Date: 25th Oct 2017

Dear Manish Gupta Ji,

At the outset, I would like to thank you for organising Yoga session during PwC G&PS university program (8th -11th Oct) in Hotel Leela, Shahdara, New Delhi. Our team really enjoyed the sessions conducted by you and appreciated this experience.

I must acknowledge your knowledge about yoga is extremely good and our health has been benefited with this. We look forward to more sessions for our employees in coming days.

Once again thank you and all the best.

Best Regards
