## About INSD Kothrud, Pune

- A pioneer in evolving design education in our country, INSD focuses on bridging the gap between Academics and Industry.
- The education system at INSD, Kothrud strongly believes in providing quality education, by setting high academic standards and providing hands-on learning as well as experience to its students.
- We encourage start-ups and guide individuals to a successful business during their course of study at International School Of Design.
- The brand collaborated with The India Runway Week as their educational partners in September 2015.
