Geeks Idea JBOSS Training.

Course Module	Duration	Fee
Default Jboss Course	2 Months(Weekdays only)	22,000 INR
Default Jboss Course Fast Track	1 Month (Weekdays + Weekend Classes)	25,000 INR

Note:

- Money should be paid first half at the time of 2'rd of the training. Second Half in the time of security concepts.

- You need to understand I also work for an MNC sometimes the timing might change or get delayed.

- The competition of the course could be delayed a max of 1 week in case of any family emergency / others.

- Question Banks and FAQ would be provided out of the trainer's good will as a compliment if the trainee was nice to the trainer

Extra Includes:
Videos + PDF + Real time Production Servers + Software, scripts + Ear Files.

Skype ID:
Venkatramanvv -> Search on skype and add me. There would be a fan image.

Online:
go.eventshigh.com/training
