

LOVE FOR LEARNING

With an intention to make our participants fall in Love for learning, PREP, The Preparatory Institute, has come up with interactive English language sessions for kids. We prepare your kids for a medium of instruction (English) which would enable them to learn and understand all the other subjects during their academic year with ease.

Following are some of the salient features of our sessions:

1. Online studies to save time, energy and money.
2. Keeping in mind, an average attention span of a child, sessions are timed for 30-40 minutes.
3. Maintaining a ratio of maximum 10 students and one teacher in a batch.
4. Need analysis of the students and their parents expectations.
5. In class, learning and Revision, through several interactive activities and games.
6. NO HOMEWORK POLICY.
7. Monthly assessment of every participant.
8. Friendly approach by the teacher/ mentor.
9. Curriculum designed to give opportunities and challenges as per their age and caliber to learn.
10. Pocket Friendly Fees.

Click on the link below the fill a google form to confirm your child's admission @ PREP
