

Letter of Recommendation

February 25, 2017.

To whom might concern

I am pleased to write a letter of recommendation for **Dr. Jayakanthi Jayachandran**. Dr. Jayachandran has been teaching biochemistry subjects for first and second year at Misurata Medical University since 2007. During My time as head of biochemistry department, I have been extremely impressed by her concentration, determination, and willingness to work hard. She possesses excellent professional work ethic, teaching abilities, a good team attitude, and a great passion for teaching. Always enthusiastic and confident, she readily offers help to her peers and to me.

In our department, Dr. Jayachandran has been teaching a diverse array of biochemistry subjects, conducting biochemistry labs for first and second year medical students. Her ability to build a comfortable and suitable environment for each and every student is remarkable. Dr. Jayachandran is very skilled at simplifying the material, so the students will easily understand. Furthermore, she is constantly working on updating her knowledge and skills to give the students her best.

I strongly believe Dr. Jayachandran will be an excellent addition to your university program. Her assertive nature, her personal and professional tact helped her to be a great educator. If you require any further information, please do not hesitate to contact me.

Sincerely

MD. Abdulrahman Allabidi

Head of Biochemistry department.

M.S Microbiology Wright State University

Certified by Biological, Nuclear, and chemical defenses program.
