Law Centre

From Student To Lawyer To Judge

A Message From Our Chairman

“It is true that legal profession is not only about knowledge of the law and oratory skills but also about ethics, justice and humanity. Institutions are not market places, and education is not a commodity traded on demand and supply”

In the current scenario, the number of deserving students interested in legal education has increased. However, there is a dearth of committed institutions to satisfy the demand. Keeping this in demand, a few like minded people came together to form Maansarovar Law Centre. At Maansarovar, we are fully committed

to maintaining and expanding our mission to be a world class legal education center with a unique amalgamation of staff, student and faculty. We have decided to play the role of torch bearer to form the new generation of India through our students. We are determined to strive to mould the inherent talent of our youngsters into dexterous legal professionals required for a dynamic society in the making. Our innovative program will erect a platform to nurture talent, to hone skills and mould students to become perceptive professionals. Having developed the concept for true education and intellectual integrity, the Maansarovar Group focuses on providing top-class legal education. Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. The working environment is such that students as well as faculty are inspired and supported to attain high standards of education and skill sets and shine in their chosen path. Faculty, with their impressive academic, research and hands on experience will lead the students to achieve 'Excellence' and 'Competence'. This in turn enhances the core strength of students and enables them to realize all round development.

Together, lets start a success story!

This has been possible because of our extraordinary faculty, extensive research of pattern of various exams and serious analysis of study pattern of regular toppers.

Law or legal profession is one of the most coveted vocation in India today given the power and respect attached and also the security of career it gives right after 10+2, just like medicine and engineering. The image of a lawyer has undergone one of the sharpest face-lifts ever. The version of a modern lawyer is one of a well respected, well groomed and well paid professional, whose identity is not circumscribed by the court-room alone, but extends to the corridors of corporate power houses and international organisations.

Our aim is to help the students enter the Bar and finally the Bench.

Our program designed by a team of experts aims at helping students develop a legally logical mind and clear prestigious law exams. We make them believe that clearing the exam is very much possible and the unnecessary hype around the exam should not deter their efforts. What is required is persistent effort and a sincere goal oriented approach. This is done under the guidance of our Law Director, Miss Sonal Gupta who has been a regular topper in LL.B. and 1st ranker in LL.M. entrance. Being the topper herself, she makes the students understand that top rank is not about 15-20 hours of study everyday, rather it is about smart, strategic study. Her highly successful mentorship coupled with our student-friendly program has made dreams of many law aspirants possible.

In 2015-16, Maansarovar had the honour of teaching around 1000 students for various law exams and we touched the new heights with around 95% students being selected in various law colleges across the country!

Meet The Founders

Mr. Anil Kumar Gupta is a scholar and a seasoned professional with experience spanning across three decades. Having completed mechanical engineering from one of India's most prestigious engineering school with highest possible marks, plush engineering companies opened its doors wide open for Mr. Gupta. But it was politics and administration which satisfied his academic passion and to learn the nuances of the subject, he decided to take a bold step and enrolled for bachelors in political science. This turned around the tables for Mr. Gupta as he realised that this is the ocean he wants to dive deep into. Since then, there has no looking back for him. Bachelors turned into masters, masters into deep research of the subject and this coupled with an experience of three decades has made Mr. Gupta, a name to reckon with in the subject of politics. He has swum the subject from length to length and breadth to breadth. Governments have come and governments have gone but there is no detail which is not known by Anil Sir, so much so that he knows the exact date, exact place and exact event associated with every political activity.

Since political science is said to be the twin sister of law, it becomes imperative to have a good understanding of the subject. A number of questions are asked from this section in every law entrance and it would be no exaggeration to say that around one-fourth of questions asked in the prestigious Delhi University LLB. Entrance Exam come from this section alone. Moreover, an understanding of the political science lays down the foundation for the better understanding of law and makes the student aware of the state of affairs in the country. Mr. Gupta is known for his excellent student-friendly approach to the subject which makes it extremely easy to understand and grasp. He starts with the very basic and teaches about various organs of government, the concept of separation of powers, how government works, how elections are held, the concept of democracy, procedure of judicial appointments, important constitutional bodies etc. Such is the charisma of the sir that political science classes are always bustling with students and their inquisitive questions. Even after the classes, Sir is found busy with students who always want to learn more. Students say that political science classes make them feel empowered and responsible. We owe our grand success in law entrance exams to Gupta Sir who holds the key to full marks in political science section.

Miss Sonal Gupta is a young, dynamic law teacher with excellent academic record and is the foundation of Maansarovar Law Centre. A regular topper in LLB, she topped her university for which was awarded cash prize and she has been a meritorious student throughout her academic career. She delivered an extraordinary performance in LLM entrance securing the 1st rank. Being the topper in GGSIPU, she was again awarded cash prize. A firm believer in god, her extremely polite and modest nature and her sagacious and assiduous approach to life has made her extremely popular among students. She has a considerable fan following among students and parents alike. Just a meeting with her and an admission at Maansarovar becomes guaranteed. Her excellent oratory skills and empathetic nature makes her a great motivational speaker too.

One thing that has bewildered all students alike and which is also a major reason behind her success is her vast and extremely thorough knowledge about her subject, so much so, that having remembered all major sections, law provisions, case laws, amendments and even previous years questions by heart, she never refers to any text book or help material and her extempore teaching leaves all students amazed. A regular question which is being asked in our centre is - "Is Sonal ma'am a computer"? It is her sheer confidence and teaching skills which has taken her to the zenith and has earned her the reputation of being a great law teacher at such young age.

Such are the reviews about the Ma'am that it seems surreal that she has garnered so much affection from students in such a short span. While some students have found a friend in her, others an elder sister and some even a daughter. It might seem unbelievable but her class room has students from age group of 18-80!! Her message box, e-mail and call logs are always overflowing with lovely messages of students. Despite her busy schedule, she always takes out time to reply to each message as she sincerely believes that it is her students that have made her and Maansarovar totally belongs to them. She has been described as 'Ray of Sunshine', 'Breath of fresh air', 'Miss Maansarovar' and several other beautiful sobriquets! Sonal Ma'am is really thankful to each and every student for appreciation, encouragement and warmth she has received from them as it motivates her to work harder and deliver better. Lastly, she believes that Maansarovar is one big family and thus, personal attention is given to each student and it is ensured that they excel in a friendly and healthy environment.

Meet The Founders

Just as the teaching faculty is the soul of Maansarovar, Mr. Yatin Arora is the heart of our institution. Mr. Arora is an extremely affable, young, charismatic leader who has been instrumental in taking Maansarovar to new heights. His charm and wit is unmatched and he is always found surrounded by a group of students who find a friend, mentor, brother, teacher and a guardian in him. He is responsible for overall management and welfare of students. He is also the force behind the weekly test series and hence, is personally aware of performance of each student. Taking each student as his personal responsibility, he constantly monitors their performance and regularly informs their wards about the same. His counseling has proved to be really effective in boosting performance of the students and his parent-like attitude makes them feel at home. Such is his magnetism that parents often say that their children do not want to come back home and always look forward to go for their classes. This is also evidenced by the fact that Maansarovar is always bustling with ex-students who make it a point to visit Sir and thank him yet again for their selection through his support. Our dream of Maansarovar as one big family has been made possible by Mr. Arora!

Mr. Varun Midha is the logistical force behind the Maansarovar Law Centre. A young charismatic property expert, he is the reason why Maansarovar has been able to function like a well oiled machine producing top lawyers year after year. With his technical acumen, he has been able to integrate diverse departments of the institution bringing them together into a harmonious whole. His efforts have brought about a perfect coordination between different centres and has digitalised Maansarovar. He deserves an applause for a perfect sync between faculty, students, staff and management and converging them all into the common goal of success at law! He has embarked upon the journey to take Maansarovar to its actual place - to the top!

Miss Snigdha Gupta is a multi-talented much sought-after maths and reasoning expert. Having secured All-India Rank 23 in one of the most coveted exam in India, SSC (CGL) 2013, Miss Gupta is an Income Tax Inspector in New Delhi. A national chess-level champion and an unbeaten chess winner in Delhi University for 3 consecutive years, having lifted 15 trophies, strategy has always been her forte. It is her strategic and technical bent of mind which has helped her develop strategic, logical, conceptual, formula-less maths. Maths without formulae sounds sort of unbelievable but here lies the mastery of our maths wizard. In her words, "The problem with maths is the phobia which the students develop without any reason and which inhibits their understanding of the subject. In reality, maths is totally concept based subject and once the concept is understood, scoring cent percent marks becomes extremely easy".

Her expertise at maths coupled with psychology background has helped her develop a strong hold upon the subject of logical reasoning as well. According to her, reasoning is all about logic and common sense applied smartly whereas students end up wasting their time in learning illogical, lengthy formulae and applying them mindlessly. The short logical tricks devised by her enable the students to solve a question in 10-15 seconds flat, giving them an edge in competitive exams wherein time is the essence of the success. It is her novel and winning approach to the subjects which helps students secure top positions in various exams.

SEMESTER COACHING

"A JOURNEY FROM CLASSROOM TO BAR TO BENCH"

Our law mentor, Miss Sonal Gupta, has a firm belief that seeds of a sound legal career are sown in the classrooms of law school. The dream of judiciary is not something to be seen after completing law, rather it is a dream to be realised in every lecture, every class. With this mission, she conceived the concept of 'semester coaching'. What started as an experiment has now been pioneered by Miss Gupta. It would also be worthy to mention that she is the first one to think of and start this concept!

Semester coaching is basically the concept of teaching basic legal subjects from the first year itself. This would include core legal areas such as Law of Crimes, Law of Contract, Torts, Family law, Constitutional law; procedural laws such as law of evidence, criminal and civil procedure and also ancillary yet very important subjects such as Law of limitation, Specific Relief, Registration etc. These subjects would be picked semester by semester.

The biggest setback which law students face when they start preparing for competitive exams is that though they have studied legal subjects in their graduation, the interpretation and command upon the subject as demanded by these exams is entirely different. While the basic concepts remain the same, the approach and answer presentation becomes the touch stone to produce judicial officers and civil servants. It is with this broader vision that semester classes are planned - not only to help students to excel in their faculty examinations but at the same time, prepare them for Masters and also coveted government jobs!

Each subject is taught in great details to cover each and every aspect so as to ensure exhaustive study upon it. While smaller subjects such as Partnership and Specific Relief may require 10-15 lectures, medium subjects such as Hindu Law and Muslim law, The law of Contract, The law of Torts may span over 20-25 classes and longer areas such as the Law of Crimes, Civil and Criminal Procedure may run for 50-60 hours! We have no clocks on the wall, no watch in the wrist while teaching because we have 3/5 years to produce a legal professional! We believe in quality teaching, complete command over the bare act and excellent answer writing. These skills are acquired over time and we are ready to invest all our time in our students. Also, to ensure effective learning and absorption of concepts, we follow a system of 3 tier test -

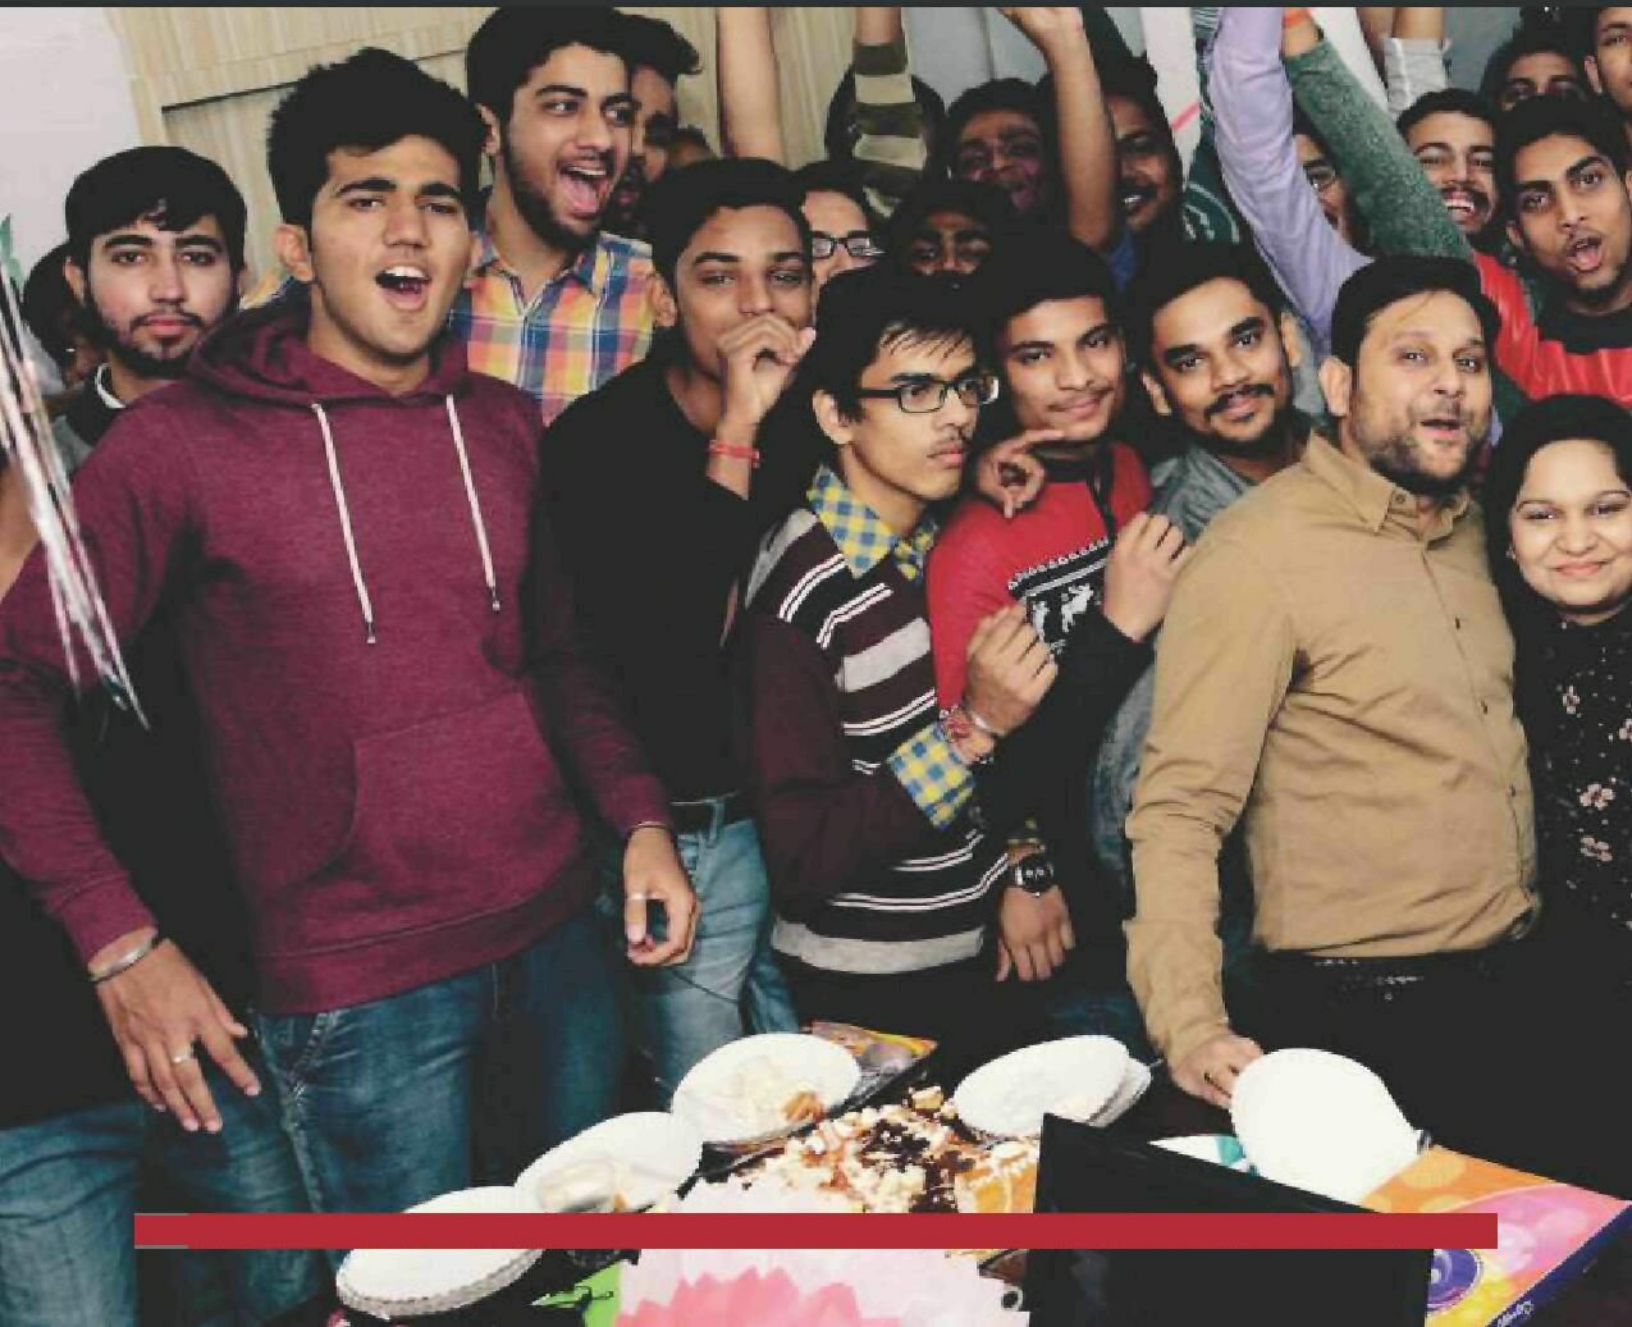

1. Topic wise test - Once a particular topic is complete, test of that topic is taken to ensure that the concept has been fully understood. This would help the students to identify any weak area and to clarify all doubts concerning it to gain a complete mastery upon each individual topic. Any subject would include a minimum of 10 topical tests which could go up to 30 in case of bigger subjects.
2. Subject wise test - Once a subject is complete, 4 tests of that subject are given to ensure full command upon that subject. Having already given test of all individual topics, full subject test make a student thoroughly confident upon that area.
3. Full syllabus Test - Once the entire syllabus of semester is done, then would start the full test. This is the ultimate confidence booster instrument which helps students to study the syllabus in its entirety and give tests upon the same. This can be termed as a rehearsal of the final show and completely prepares them for the semester exam. Also, it takes away the anxiety and fear attached with the examination and makes students relaxed and confident helping them ace their exams. This also considerably improves their answer writing skills thus, paving way for the higher competition.

So lets start our journey from classroom to bar to bench!

STUDENT REVIEWS

There are two types of people in this world – one who say that they are going to be next to me when it matters the most and people who actually stay miles away from me and yet play the most influential role. Anil Sir, Sonal Ma'am, Snigdha Ma'am, Yatin Sir and the entire Maansarovar Law Centre team, I cannot thank you enough.

I am not much of a believer in God but Anil Sir and Sonal Ma'am, there are 330 million Gods and Goddesses in Hinduism. I can proudly say that I have met two of them!

PRAKHAR GANGULY (NLU-Delhi)

Snigdha Mam should be the NATIONAL maths teacher to ensure that no student fears maths any longer!

BHUVAN SHEKHAR (Campus Law Centre-Delhi University)

Maansarovar is actually Maansarovar – holy, pious and supreme!

When I heard the name Maansarovar, the first thing which came to my mind was the holy Maansarovar lake and after having studied here, I feel that this institute is no less than any pilgrimage to the students who seek a genuine and flawless navigation in the field of law. They say that there is always a woman behind every successful man and if I ever a successful career in

law, Sonal Ma'am will be the lady I shall be grateful to. The subjects of maths and reasoning seemed always so difficult but now if I am able to play with these areas, all the credit goes to Snigdha Ma'am. Anil Sir is the master of politics who has taught us in such a manner that it is hard to forget in this life. Such command and knowledge that it is absolutely incredible. The ocean of knowledge!

VAISHALI TALIYAN (IP University)

“The best teacher teaches from the heart and not from the book”

This is a perfect line for Sonal Ma'am! “Sonal Mam” is not just a name for the students of Maansarovar but a true inspiration and an ideal to follow. Mam not only taught us the subjects with utmost perfection but also embraced us as a family. There can never be enough words to express my gratitude for you and your

guidance, support and love. You are truly an amazing person and I shall forever be indebted to you Mam.

Maansarovar is the best place for a secured future because here teachers like Anil Sir not only share their vast knowledge but also you learn a lot from their life experiences.

Perfection in administration is the result of unrelenting and undying support of Yatin Sir who has been a pillar of strength.

PREETI BADOLA (NLU-Delhi)

I have no words to describe our polity Sir – Mr. Anil Gupta! Sir is the most remarkable and motivational man I have ever met. His command over the subject of politics is impeccable and unsurpassable. He is a brilliant teacher and he makes sure that everyone understands the subject from length to breadth. Sir has made politics extremely interesting and understandable which has helped in everyday

life also. Snigdha Mam and Sonal Mam have definitely taken from Sir!

SAHIL MANN (Campus Law Centre-Delhi University)

Snigdha Mam - MODERN ARYABHATTA!

SHREYANSH KUSHWAHA (Banaras Hindu University)

Those who educate well are to be honoured more than parents because while parents only give life, a great teacher prepares us for 'living well'.

Thank you to the greatest teacher ever – Sonal Mam!

ISHA SHARMA (NLSUI-Bangalore)

I owe my success to Anil Sir, Sonal Mam, Yatin Sir and the entire team of Maansarovar Law Centre. NALSAR wouldn't have been possible without Maansarovar.

I would like to especially thank Sonal Mam! Thank you mam for bringing out the best in me. The impact Mam had on me is inexplicable. She has affected and changed me in so many ways that it is hard to express my gratitude. I feel truly blessed to have a mentor like Mam. I am inspired

and I wish to be like Sonal Mam!

RUCHIKA DHINGRA (NALSAR-Hyderabad)

I still remember the day when I walked into Maansarovar and the way I was greeted with utmost warmth by our respected and very friendly Yatin Sir. The way Sir explained each and every detail about the exam pattern, course, classes, test etc. was sufficient enough a guarantee to the quality of Maansarovar. The warmth continued throughout the coaching and gave me an experience of the lifetime. My

heartfelt gratitude to all the members of Maansarovar for their inexplicable contribution to my career and life!

ARNIKA TIWARI (NLIU-Bhopal)

I am a strong believer of karma. So I can say with full faith that I must have done some good deeds that I got an opportunity to be a part of Maansarovar family! The knowledge I received from Sonal Ma'am cannot be compared to anything else in the world as it is the best and most precious thing I have ever received. Mam taught us not only law but also life lessons. To be a student of Sonal Mam is like having Constitution and all bare acts in front of me. It is only when one studies from her that he/she can understand the experience. It is phenomenal and surreal. Thank you Sonal Mam – today, tomorrow and everyday!

SHIVA NAMAN (RMNLU-Lucknow)

Anil Gupta Sir is the epitome of perfection and patience!

MONIKA BHARARA (NLU-Jodhpur)

It was always a dream to study in NLSIU, Bangalore and I am thankful and grateful to Maansarovar Law Centre in helping me realize the same. I consider Maansarovar as the mecca of educational institutions in India and Anil Sir and Sonal Mam as epitomes of knowledge. The command and expertise over the subject that they possess and the capability to make a student understand the concept in and out is second to none. As a student, I couldn't have

asked for more!

MADHURIMA RAY (NLSUI-Bangalore)

I want to express my gratitude to Sonal Mam for inspiring me to study and do something. I wasn't really focused or as a matter of fact even ambitious. Just staying with Mam and observing her has given me a sense of confidence. Ma'am, it could be another feather in your cap when a student shows gratitude but trust me, it gives such resilience to students who were experiencing waywardness! This one year has been an evolving process for me. I genuinely

adore Mam and I hope she keeps on touching lives just the way she touched mine! Its not about my selection but the fact that I opened my books again and gained perspective. That's your greatness and my treasure!

PRATHMA SHARMA (NLU-Delhi)

I feel blessed to have met a lady, lawyer and an inspirational person like Sonal Mam. I would like to thank her for teaching law in an extraordinary fashion. Her vibrance and thoughts have inspired me deeply. I have started loving law because of Mam. She is one person I'll always remember and respect throughout my journey. Sonal Ma'am is our Rahul Sir!!

HIMANI SHARMA (Campus Law Centre-Delhi University)

I feel privileged to be a part of Maansarovar Law Centre. I am extremely thankful to Sonal Mam for having introduced me to the discipline of law and for helping me sail through such a tough competition. I appreciate her for building such a strong foundation of law upon which I can comfortably erect my legal career. Mam has not only imparted extraordinary legal knowledge but has also improved my personality and outlook towards life. I truly hope to make Mam proud one day. A big thank you to Gupta Family!!

SHALU RAGHAV (NALSAR, Hyderabad)

I came to Maansarovar on someone's suggestion and now if anyone asks me, I would suggest Maansarovar law Centre as it is the best law centre in Delhi. My outstanding rank in DU LLB has been possible only because of my loving teachers who gave so much special attention to weekend batch. Any amount of thank you would be less to express my gratitude. A very

special mention about Gupta Sir who turned around the tables for me. Having no background of humanities, I was extremely apprehensive about my fate in the examination knowing that polity would cover a minimum of 15% in the paper. But once I started attending classes of political science, there was no looking back. My weakness turned into my strength and I knew that now I can do it! I don't think I can ever meet any teacher as graceful and convincing as Sonal Mam. Her law classes were something to look forward to everyday. Snigdha mam also is so grounded despite being so successful.

Hats off to Team MLC!

ABHAY SHUKLA (Campus Law Centre-Delhi University)

Sonal Ma'am is the best teacher one could ever have. A true teacher! Her teachings are limited not only to her course but also what actually life is and how it is to be led with utmost honesty and morality! Apart from impeccable command upon legal, the most important aspect of life I learnt from Mam is how to remain honest and accompany truth in any condition and I shall always be grateful to Mam for that. You as a

teacher have no idea what you give to the students. You are a maker, maker of our destiny and future!

MOHD. ARIF (Lucknow University)

Maansarovar Law Centre is the place which makes law aspirants dream come true! Sonal Mam is the best law teacher, guru, friend, sister, philosopher in my life.

AASHNA SINHA (RGNLU-Patiala)

Sonal Ma'am, there has probably never been a teacher better than you because you make learning fun and easy. You are simply the best. I feel so blessed to have you. Any amount of thank you would be less my dear Ma'am. I feel very blessed, very honoured to have met you. You have changed the direction of my life. Really had it not been for you, I wouldn't have got admitted to NLU. It was all you. Seriously. I will be like absolutely eternally grateful to you. Nobody could teach me law like you did. Thank you very much mam. You are the best!

ISHMEET TALUJA (Indian Law Institute)

I want to say a big thank you to Sonal Ma'am & Anil Sir!! Getting NLS Bangalore is like a dream come true and nothing of it could have been possible without Mam & Anil Sir. Sonal Ma'am is the absolutely best teacher I've seen in my whole life. Such knowledge at such young age makes her the idol for all law students. And I don't think even political experts would have such knowledge as is possessed by polity Sir. I don't know whether I will be able to thank you enough but still thank you Ma'am for your support and guidance. Respect and Regards.

ARUNIMA GOEL (NLSIU, Bangalore)

Sonal Ma'am is truly an inspiration and the best teacher. I have a lot to learn from her, not only in law but also about life. I would love to be like her! The best mentor, the best teacher, the best person and someone I look up to. And now, I know what to answer if someone ask me about my role model. It none other than Ma'am! I wish every day if I could be half as perfect as Ma'am. Thank you Ma'am for being so amazingly special. You are both beautiful inside and out! You are a perfect person and may God bless you with all the success and happiness! You deserve it all. I am blessed to have met you. You are truly a blessing in every sense of the word!

SHREYA MAGGU (Government Law College, Mumbai)

I would like to say a big heartfelt thank you to Sonal Ma'am for helping me get through LLM NLIU-Bhopal. This would not have been possible without her. I am blessed to have a mentor like Mam. I believe every student must have at least one such mentor who inspires and motivates you like Mam does. I am so glad that I discovered Maansarovar Law Centre! Much love and respect to Mam. You are a great source of inspiration. Love you a lot Ma'am.

NIDHI SHARMA (NLIU-Bhopal)

Writing anything about greatness of Sonal Ma'am would be less. She is my Guru - next only to God. I feel very blessed to have found her as a teacher - teacher who has now become my inspiration, my idol and my strength. And I would like to mention one thing about Sonal Mam that there is one similarity between her and our Honourable Prime Minister Shri Narendra Modi ji and that is, both of them do not need any written speech. They both are tremendous at their work.

DEVIKA GAUR (Law Centre I - Delhi University)

All I know is one thing - that a law teacher like Sonal Ma'am is impossible to find - not only in Delhi but also in India! I consider myself to be fortunate for having been taught by Ma'am. After I got through NALSAR, everyone asked me, from where I took coaching? My only answer was - Maansarovar - the best institute for llb as well as llm. At times, I used to be so worried, so doubtful but Ma'am always stood by me despite her busy schedule. I dedicate my selection in NALSAR only to Sonal Ma'am. You are the best!

KARRON S. DHINGRA (NALSAR, Hyderabad)

Name of the institute defines itself in true sense. It's a holy institute of knowledge and wisdom. It's the best institute for law in Delhi with best teaching faculty. Sonal ma'am teaches law in an impeccable manner and undoubtedly she is the best law teacher in Delhi. She teaches law in a very simple manner with unforgettable examples. Law class is always motivating and pleasant. Sonal ma'am boosts the morale of students so high that an average student can become a topper. She is a ROCKSTAR teacher. Alike law class, Maths and Reasoning classes are also fun and easy to understand. Snigdha ma'am teaches Maths and Reasoning in such a easy manner with her self invented tricks that even a Math phobic student finds it very easy. Polity class is also very interesting and learning. Teaching faculty is young and dynamic filled with passion for teaching. If you want to see yourself in a premier law college, then join MAASAROVAR LAW CENTRE.

NITIN CHAUDHARY (Campus Law Centre, Delhi University)

Sonal Ma'am is really the ray of sunshine at Maansarovar! Mam has been a truly inspiring person and not just as a teacher but a role model. She not only got us all through but is a person whom I look up to and hope to be one day. I wish you all the happiness and success in the world because you truly deserve it after imparting everything that gives happiness to us. Without a doubt, you are the WORLD'S BEST TEACHER and I like so many others has been so very lucky to be under your guidance. Please continue to inspire everyone around you always:)

DEVAK VARDHAN (Law Centre I, Delhi University)

The very first interaction with Sonal Mam was really motivating which made a new student like me feel very comfortable. Her friendly and helpful nature will drive any student towards motivation. I have never been taught like Sonal Mam in my entire graduation. The way she makes you grasp every concept is really amazing and the vast knowledge she has makes every student learn more and more with every class.

For the first time, I have taken grammar and quant so seriously. Thanks to such an amazing tips given by Snigdha mam. Method of teaching is really unique and it will make you like the subject even more. Also, they have given us the most exhaustive study material ever had. The success story of Sonal and Snigdha mam definitely inspired me and may be this was a huge reason for my consistent studies. The more I interacted with my teachers, the more I got motivated. They have surely changed my life! Also, the environment is very light and friendly. The management was very helpful. MLC is the best.

RAJAT SHAH (Campus Law Centre, Delhi University)

I would highly recommend Maansarovar Law Centre. I joined for LLM course and I am more than satisfied. Sonal Ma'am has taught law in an incredible manner. I was so apprehensive about my own capabilities but from the very first meeting, Ma'am made me believe that everything is possible. She is the ultimate source of strength and inspiration for students. Class by class, I started getting so attached to her that

somehow I imbibed her personality into myself. I owe all to my success to my dear Ma'am and really wish to make her proud some day. Thank You Sonal Ma'am!

AKANSHA MADAN (NLU Delhi)

I am short of words to describe my coaching at Maansarovar. Extraordinary brilliant and applaudable! I still wonder how Sonal Mam teaches like computer. She is an outstanding teacher. My favourite part was the maths and reasoning classes by Snigdha Ma'am. I was always curious to learn new tricks and short cuts by Snigdha Ma'am. She is simply the master of maths! My coaching was worth every penny.

Kudos to team Maansarovar!

SHAKIB KHAN (NLU - Delhi)

If excellence and dignity were to take the form of a human, they would be born as Sonal Mam!

**PRIYANKA CHOPRA
(Law Centre I, Delhi University)**

I just want to say one thing about Sonal Ma'am - May life give you nothing but the best it has to offer - which is exactly what you have given me as a teacher!

**VIVEK BHAGAT
(Campus Law Centre, Delhi University)**

I want to say a big thank you to Maansarovar Law Centre for helping me achieve rank 50 in DU LLB 2015 and especially Sonal Ma'am. Ma'am is really an inspirational person. At this young age, she has achieved rounds of laudable destinations. I am really inspired by her hard work and her sincere approach towards life. It is very difficult to set up such a remarkable institute at this young age especially in this competitive world. It is very difficult to teach for 12 hours continuously. It is very difficult to teach so good all the time and amaze us in every class. I salute you Ma'am for having done all this with such ease. Your efforts, your modesty speak about your greatness. I believe one day you will touch the zenith and will be one of the prominent personalities in the field of law. I hope you will always remember me Ma'am.

ROHIT SHARMA (Campus Law Centre, Delhi University)

Maansarovar has the best faculty in the whole world. The teachers are very experienced and they taught us in a very simple and interesting way. Anil Sir taught us politics in an excellent manner. I was very weak in polity and now thanks to Sir, I have great command upon it! Snigdha Mam is unbeatable. I don't think any teacher can teach maths as good as Ma'am. Sonal Mam gives inspiration to all. She guides us and she helps us reach our goals. She is the best teacher in the world and her method of teaching is amazing. I simply love her. The environment at MLC is very good. The management is also very nice. Maansarovar rocks!

KOMAL GOYAL (Bhartiya Vidyapeeth College, Pune)

My admission in LLM in NLU Jodhpur is wholly a gift by Sonal Mam. No amount of words can express my gratitude for mam, no amount of words can describe my love and respect for mam. The way Sonal Ma'am has changed my life and the huge impact she has left on my mind cannot be described. I wish to be like her. I just want to say a big thank you!!

NEHA SINGH (NLU Jodhpur)

Joining Maansarovar has been life changing, not only professionally but also personally. Sonal Ma'am has turned my life upside down. While she used to teach law in the class, I used to wonder how can someone teach so effortlessly. Ma'am never carried any book, she never looked at any paper. I used to be speechless at her extempore teaching. Every student dreams of

having a teacher like her. I have been lucky to have actually got one. Sonal Ma'am has great place in her student's hearts. Wishing Ma'am life's best always!

'AKSHAY MEHTA (Punjab University)

I want to thank Maansarovar and especially Sonal mam for helping me get through NLS-Bangalore. I found the faculty extremely good as Sonal Ma'am has got such unparalleled ways of teaching and Anil Sir has the patience to explain the same thing again and again which surely differentiates them from other teachers. With the help of her creative charts Ma'am made even the most intricate concepts crystal clear which incredibly helped to accelerate the learning process. Sonal Ma'am has indeed been an

inspirational guide. She never boasted about her caliber to achieve such great heights but I always used to wonder that how does she remember all this? How does she make such boring words into these logical charts? How does she deal with our stupid questions and that too with a smile! And I just did not reach my goal I went beyond it through her help! Therefore, I was more than satisfied, I was inspired!

MEHAK SHARMA (NLSUI - Bangalore)

I will never forget my time at Maansarovar. The warmth and affection which I received as a student will always remain with me. The faculty is outstanding and the management is exemplary. I am very happy with their method of teaching. All the doubts were cleared in the class itself and the practice assignments were simply superb. All the teachers are very caring and of helpful nature. MLC and its faculty has inspired me to reach my goal because the environment is truly speaking, excellent. Sonal

Mam is the world's best teacher. I now understand why students are crazy for her. I hope Maansarovar reaches new heights.

Maansarovar stands so tall due to its excellent faculty, be it Sonal mam, Snigdha mam or Anil sir. All of them have full control and authority over their respective subjects. A subject as technical as law can only be made so easy by Sonal mam. She is an outstanding mentor as well as a person. Gupta sir's classes have been very good. He is extremely warm and welcoming as a person and the way he conducts the classes is very interesting. Snigdha Ma'am is truly the combination of beauty and brains. Her wit and tricks made maths classes

extremely interesting. I used to be eager everyday to learn some new short cut. The environment is very warm. Management is very helpful and friendly and always willing to solve all our doubts. Everything is very organized and methodological. Even the material provided is extremely helpful. They are doing a great job. It's just not easy to handle more than 400 students everyday. and the entire team of Maansarovar.

CHETAN SHARMA (WBNUJS Kolkata)

Though any amount of praise would be less for my dear Sonal Ma'am, yet I would like to write a few lines about mam. I seriously say or rather confess that I have never across a guide, mentor, teacher like her throughout my life whether in school or college. Mam made me know my shortcomings, my weaker areas where I needed to work hard and gave ample of time even after class just to clarify my doubts. I have found a teacher, sister and friend in Mam. Sonal Mam

Maansarovar is the best.
