WHAT IS MINDHOUR CLASS?

It is a structured & technology driven tuition run by trained and certified Mindhour teachers at their home using Mindhour's content and proven experiential approach of teaching, building the critical thinking mindset of the child, helping him deliver great results in school & throughout life.

HOW IS IT DIFFERENT FROM CONVENTIONAL TUITION CENTRES?

- Structured & Technology driven tuitions
- Trained & certified Mindhour teachers
- Personalized & experiential learning approach
- Great results in school & throughout life

WHAT WE DO?

- Develop and deliver an addictive leaning experience
- Help student score better by focussing on concepts
- Make Children develop a quest for learning instead of fear of performance.
