

# NIMCJ MACJET Preparation Tips

NIMCJ is a Gujarat University recognized institute for journalism and mass communication. NIMCJ believes in harnessing the power of communication through advanced learning, research & innovation, communication, and knowledge management. With research-based, up to date pedagogy, we offer diploma in postgraduate mass communication giving prospects the opportunity to specialize in print media, electronic media, radio, etc. To get a full-time postgraduate diploma from NIMCJ you will have to give MACJET- NIMCJ's Entrance Exam, here are some of the tips that will help you.

## Tip #1: Keep A Sharp Eye On Current Affairs.

Here is MACJET Tip #1 you need to stay updated with the latest news and research, along with the things going around you. Knowledge has to be updated with time or it is of no use. The two most important things every millennial should do is to know what's going around the world and what's going on with them.

### Tip #3: Time Management is The Key

Here is MACJET tip #3 -Time management is the key. This helps students reach their goals within the given set of time. Time management helps in the personal and professional world as well. Get a to-do list and schedule your day, you will then not be at the mercy of how you feel and do what is necessary. You will be shocked to see the number of things you can do in a day with simple time management. Time management will also effectively help to crack MACJET.

## Tip #4: Get Accustomed To Online Reading

Here is MACJET tip #4 - Get Accustomed to Online Reading. Create a habit to read online news, blogs, etc daily as much as possible and gradually get yourself adjusted to this. These days people spend hours on end scrolling through mindless feed, and are more or less addicted doing the same, why not use this time reading ebooks online? One can find e-books for free that are priced higher in paperback versions.

The graphic features a dark blue background. At the top center, a yellow lightbulb icon is surrounded by a circular burst of white dots. Below it, a yellow speech bubble contains the text "MACJET PREPERATION TIP #4" in white, bold, sans-serif font.
