

**DIBRUGARH UNIVERSITY**

No. **M15 0067781**

**STATEMENT OF MARKS**

Page No. 0542/14/15

Roll No. M- 32/14

The following are the marks secured by **KHITISH KUMAR BORA**  
 of **Jorhat Engineering College**  
 in **Eighth Semester Examination of Four Year Degree Course in**  
**MECHANICAL ENGINEERING**

held at June, 2018

| Subject / Course Code | Subject / Course Title                  | Maximum Marks | Pass Marks | Marks Awarded | Sub Total |
|-----------------------|---|---------------|------------|---------------|-----------|
|                       | <b>Industrial Engineering</b>           |               |            |               |           |
|                       | Theory                                  | 100           | 35         | 79            |           |
|                       | Sessional                               | 50            | 25         | 30            |           |
|                       | <b>Measurements</b>                     |               |            |               |           |
|                       | Theory                                  | 100           | 38         | 62            |           |
|                       | Sessional                               | 50            | 25         | 37            |           |
|                       | <b>Heat &amp; Mass Transfer - II</b>    |               |            |               |           |
|                       | Theory                                  | 100           | 35         | 48            |           |
|                       | Sessional                               | 50            | 25         | 35            |           |
|                       | <b>Elective - II</b>                    |               |            |               |           |
|                       | 1. Power Plant Engineering              |               |            |               |           |
|                       | # 2. Operation Research Techniques      |               |            |               |           |
|                       | Theory                                  | 100           | 35         | 75            |           |
|                       | Sessional                               | 50            | 25         | 40            |           |
|                       | <b>Project - II</b>                     |               |            |               |           |
|                       | Sessional                               | 150           | 75         | 120           |           |
|                       | Viva-Voce                               | 50            | 25         | 40            |           |
|                       | <b>General Viva-Voce</b>                |               |            |               |           |
|                       | Sessional                               | 100           | 50         | 54            |           |
|                       | <b>Environmental Studies</b> ##         | 100           | 30         | 01            |           |
|                       | <b>## - Marks not included in Total</b> |               |            |               |           |
|                       | <b>Total</b>                            | <b>900</b>    | <b>450</b> | <b>634</b>    |           |

Abbreviations: F — Fail, \* — Marks carried from previous examinations, ABS — Absent, # Appeared Paper

Marks obtained in earlier examinations :

|                       |             |                       |
|-----------------------|-------------|-----------------------|
| Examinational Student | A+ = 90-100 | A = 80-89             |
|                       | B+ = 75-79  | B = 60-69             |
|                       | C+ = 50-59  | C = 40-49             |
|                       | D+ = 30-39  | D = below 30 (Failed) |

|                     |                  |
|---------------------|------------------|
| 3rd Semester (50%)  | 500 / 1000 = 342 |
| 4th Semester (50%)  | 500 / 1000 = 300 |
| 5th Semester (75%)  | 475 / 650 = 502  |
| 6th Semester (75%)  | 475 / 650 = 485  |
| 7th Semester (100%) | 450 / 500 = 556  |

Grand Total (4225) = 2919

Minimum for: 1st Class : 2535      2nd Class : 2113

Date: 21st December, 2018

**Result : 1st Class**
