ODISSI

MAKE UP & ESSENTIAL

SRINGAR

- One of the most important part of Odissi make up , it makes your face more glamorous and attractive. Sringar is a symbol of a feminine attribute.

LIPSTICK

Lip color of a person's lips signifies the personality, behavior and attribute of a person. It plays a very important role in making the face attractive and a true essence of femininity.

EYE MAKE UP

- A Key to make everything look perfect and mesmerizing.
- Eyes plays a very important role, it says everything without uttering a word.
- Eyes magnify our emotional expression and makes everything more specific.

DEDICATION

- Dedication is the key to success.
- It helps in focusing on our goal and makes it very clear.
- It improves the way we deal with our emotions and expresses it.

ORNAMENTS

- The Odissi dance form uses fine **silver jewelry**, which is used as ornaments to decorate the head, neck, ears, ankles, and are also used as waistbands. The various expressions created through the eyes are what make the Odissi dance unique and numinous.
