

Castling

The special king move

PRERANA CHESS ACADEMY

Pune

Castling

In this session - we will learn about a Special Move – Castling

1. What is Castling?

(A special move of a king wherein the King is allowed to move jointly with one of his Rooks)

2. Types of Castling? Long Castling (Queen Side) and Short Castling (King Side)

3. How to do Short Castling? (Short Castling is done with King Side Rook)

4. Rules for Castling?

(Pre-Condition is both King as well as Rook must not have moved during the game till this move)

5. How to do Long Castling?

(Long Castling is done with Queen Side Rook)

6. When can we not do Castling?

(If there is check coming in between while castling or after castling if the king is under attack) one can not castle.

7. Take some examples and ask students

8. Show benefits of Castling by example
