

Dr. Zahoorullah S MD, a **Biotechnologist** born on 6th December, 1983. He is presently working as **Associate Professor** in Department of Biotechnology, Joginpally B. R. Engineering College, R.R (dist). He studied BTech in Biotechnology, 2002 to 2006 (first batch in AP), MTech in Biotechnology from JNTUH and PhD in Biotechnology in JNTU, Hyd. He was selected as Assistant Professor at the age of 23 and ratified by JNTUH. He was a certified teacher by Dale Carnegie Training USA on 'High Impact Teaching Skills'. One of his lecture video on Bioinformatics is being shared by Waterloo University, bioinformatics database, Canada, he was selected as **Top 100 Scientists** in the World by IBC, Cambridge, **Top 100 personalities** by Who's Who in the World, USA 2013,2014,2016 and Who's Who in Science and Engineering - 2016-2017.

He is an **Orator, Writer, Author, Scientist** and multidisciplinary faculty who have extensive research knowledge in Science and Engineering subjects like Life Sciences, Computer Science, Electronics, Mechanical, Electrical, Information Technology, Management, Biomedical, Pharma etc. Within a span of 6 years of his teaching experience, he taught 27 subjects. Now presently he taught 40 different subjects of Engineering, Pharmacy, Management and Medicine to the students of B.Sc. M.Sc, B.Tech, M.Tech, B.Pharm, M.Pharm, MBBS,BDS,MD and MBA in 10 years of Teaching experience. He attended & Organized 30 Workshops and presented 20 papers in International & National Conferences and 20 Journal publications. He is a **Global Ambassador** for overseas Education, Admit School, USA.

Subjects which he taught for Engineering Biotechnology includes Biopharmaceutical Technology, Molecular Pathogenesis, Protein Engineering, Genomics & Proteomics, Genetics, Environmental Studies, Biodiversity & IPR, Cell Biology, Microbiology, Nanobiotechnology, Bioinformatics, Genetic Engineering, Immunology, Clinical Trials & Regulatory Affairs, Computational Molecular Biology. Chemical Engineering subjects are Heat Transfer in Bioprocess, Bioprocess Engineering, Instrumentation & Process Control, Biochemical Reaction Engineering, Mass Transfer & Separations, Enzyme Engineering, Bioreactor Engineering, Bioprocess Optimization & Plant Design, Process Engineering Principles, Food Science and Technology, Animal Cell Science and Technology and Microbial Engineering.

Dr. Zahoorullah S MD has expertise in Java, J2SE, J2EE, Java Script, C, C++, HTML, XML, ORACLE and PERL Computer languages. He Cracked IT Entrance tests for several Software Companies. With the aim to motivate and guide Biotech students he started a website ZAHOORBIOTECH and has been guiding thousands of Biotech students all over the world. The website was found to have maximum hits in Google search engine. Now he owns 100 websites in Biotechnology and its allied fields. He is having 10 years of Teaching, 8 years of Administration and 8 years of Research Experience.

Dr. Zahoorullah S MD is a **Visionary, Educationist, Entrepreneur, Personality Development Trainer, Soft Skill Trainer, Corporate Trainer, Motivational Speaker and Career Counselor** who counseled Three thousands of students face to face on choosing right career, decision making and goal setting. He guided 24 BTech projects, 20 MTech research projects and 90 review papers to 100 students. He delivered many guest lectures in JNT University, SK University and other Professional Colleges in India. He organized and coordinated 10 Conferences, 15 Guest Lectures and 15 Workshops. He has written 9 Books – 'Bioinformatics', 'Swine flu' and 'An epitome of Education', 'Computational Molecular Biology', 'Text Book of Biotechnology', 'Recent trends in Biotechnology', 'Immunology' and Clinical Trails and Regulatory Affairs (Online and Printed).
