PRESENTATION AND PUBLIC SPEAKING TRAINING COURSE OUTLINE

This course is a series of theory and practical lessons designed to teach participants how to master the art of Presentation and Public speaking, in the office, board rooms, meetings and class rooms. Empowering them to deliver stunning key note speeches and presentation and deliver a learnable experience when speaking to a crowd, whether prepared or impromptu.

The course is designed under the conscious and unconscious competence learning methodology whereby through practice, feedback and training participants move from one level of competence to the next. Throughout the series, you'll learn new skills and techniques, explore best practices for communication and content delivery, during the lessons you are taught how to unleash your creativity to help drive discussions at speaking engagements.
