

It has taken a long time to feel this moment and come here to express. I would like to convey my sincere gratitude to Rajni mam for all her teachings and engagement for my IELTS coaching. I got enrolled in her private Tuitions in Jan 2020 after my first attempt in Dec as posted which wasn't satisfactory.

Soon after I finished my classes I have my second attempt for IELTS exam on 13 Feb 2020. I wasn't lucky to get my results on 26 Feb as they had chosen my results for verification. I have been waiting so patiently more than 3.5 months and following up with IDP Australia for the same in emails. She always stood up beside me with strong support and positivity even though this was new for her experience. Finally on 3rd June 2020, my results were released. This is entirely the fruit of your right guidance and expertise along with my hard work.

You are a master in writing and reading and would surely recommend everyone to have an experience with her classes.

I thank you again mam.

Lastly, I have posted my before and after classes results so that you can see the profound difference.
