# Reference Bonus

What is reference bonus?

Reference bonus is a bonus passed on to participant, if query/queries referred by participant and join with us.

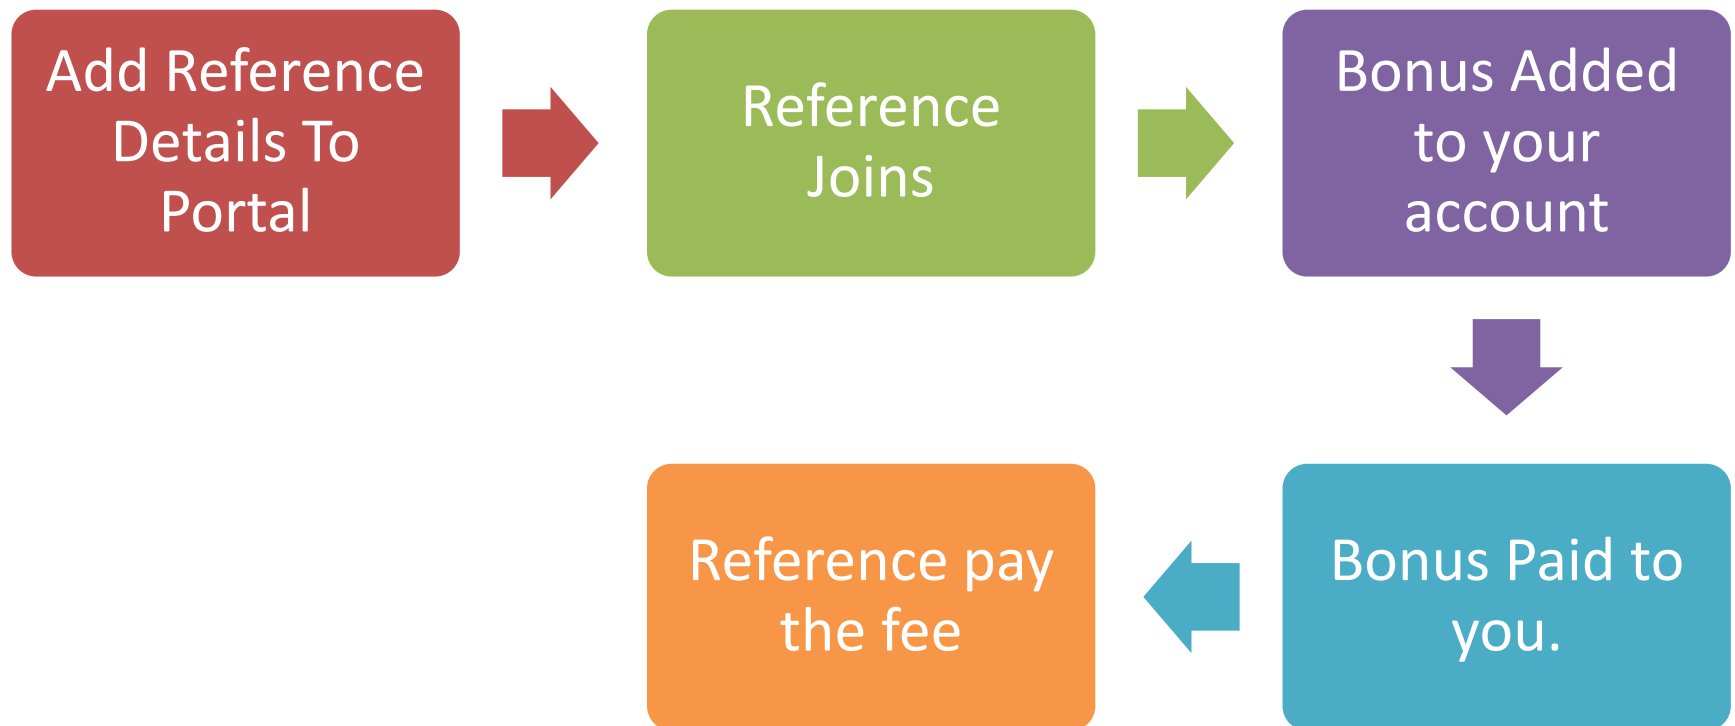

How to refer?

Participant can login to our web-portal with his/her login details and add the reference mobile number under "Reference Bonus" tab. If that reference joins the course, bonus will be added to your bonus account. On every month end the total bonus earned will be paid via NEFT.

OR

At the time of admission, reference should mention your full name along with mobile number (which is your account Id) on admission form to map that reference to your Id.

# How it works?

Terms & condition apply. Detailed FAQ is available on the portal
