

FOR STAFF SELECTION COMMISSION (MATHS TUITION)

Study Under my guidance, I guarantee you these things.

BEST AVAILABLE METHODS FOR EACH TYPE OF QUESTIONS.

I have made an exhaustive search on internet (google, YouTube, Unacademy etc.) and in coaching notes and materials and in various CAT level books (Survesh Verma, Arun Sharma, Nishit Sinha etc.) to get the best possible method for each type of problems.

CONCEPTS BEHIND EVERY SHORT TRICKS.

Not only concepts, I provide all possible applications of that concepts in various types of questions.

MINIMUM FORMULAS.

Many times students find it hard to remember lots of formulas, I try to eliminate student's dependency on formulas and fill the gap with concepts.

MINIMUM CALCULATIONS.

I provide tricks to find answer without doing hectic calculations and to minimize calculations in intermediate steps.

LUCID NOTES.

I provide clean and well structured typed notes of every chapter after its completion.

Thanks
