FRENCH- GREETING SOMEONE – FORMAL AND INFORMAL

When you greet someone in a Formal Situation we say `**Bonjour**' in French.` Bonjour ' is the English equivalent of `Good Morning' or `Good Day' or ` Hello'.

When we greet someone informally (friends ,same age-group, near and dear ones) we say `Salut' which is the English equivalent of `Hi'. Please note that the `t' the last alphabet in ` Salut' is not pronounced.
