TO WHOMSOEVER IT MAY CONCERN

It is with distinct pleasure that we appreciate the enthusiastic efforts of Ms. Aditi Goyal, towards teaching Psychology to A Level students. She was a bonafide student of Prabhavati Padamshi Soni International Junior College. She appeared for her A Level exams in the March 2019 session and her performance is worth appreciating.

We are proud to share that Aditi volunteered to teach Psychology to students of AS Level. Enthusiasm, involvement, commitment and knowledge of Psychology helped build a rapport between the young teacher and energetic learners while conducting these sessions. Aditi took charge of Core Studies comprising of Schizophrenia and bi polar disorder. During the course of the classes she shared both her experiences as a student and strategies she had employed while tackling questions pertaining to the subject. Her meticulous and professional approach is worth appreciating. She took the task very seriously and executed it in the spirit of a real teacher.

Efforts of keeping the students engaged with a variety of activities were made and her classes were meaningful and effective. Aditi encouraged learners to develop further interest in Psychology.
