

H. W

- 1 The school bus arrived at school gate the children got down and started walking in the board above gate announced. Vani Midhyala high school and junior collage it was the first
- 2 day of new academic year and the excited children ran into their classroom. Arijun entered his classroom, for only relying that he was in fourth standard classroom, a bunch of juniors occupying his classroom. A bunch of non-dorm guy, sat where arijun sat last year. Getting over his confusion he should to his friends where is our new classroom? A teacher passed by telling division class IV - A this way
