

# Why to choose e-Six Sigma?

Attribute/ Competitors	e-Six Sigma	Udemy	Aveto	ASQ	Simpli-Learn	KPMG
Training Delivery Model	Theory (65%) + Practical (35%)	100% ONLY Theory				
Practical Learning Gains	Through AWYL- <u>Apply What You Learn</u> Activities. Assessed by Experts with Feedback.	Hardly any Practical Activity				
Learning Assistance	Live Chat with Experts, Ask the Expert function, Email, WhatsApp, Call, etc	Hardly get chance to interact personally with Trainer for many reasons like we often shy to ask question, time limits, etc				
Learning Convenience	Being Cloud-based, you can learn Six Sigma on your mobile without travel anywhere in traffic saving your time, efforts, money.	Online	Only Certification*	Instructor-led (Class-room + Online)	Online	Instructor-led Class-room
Examination	No PASS or Fail System. We have Grading System. If you are not happy with grade you receive, you can reappear for Exam for 5 Times at No Extra Cost.	You may deliberately get failed and ask to pay additional money to reappear for the test. (That's quite a possibility or ill practice by many training providers in market)				
Fees for Green Belt	INR 14,999 all-inclusive with 5 Complimentary Test Credits with EMI Facility.	INR 750-9000	INR 13,650 ONLY for Certification	INR 29,350	INR 13-17,000	INR 23,200
Certification	Guaranteed. Internationally Accredited Certification with Life Time Validity.	No Accredited Certificate	Accredited Certification ONLY if you Pass Exam. (Heavy Charges for Re-Exam.)
