## About Me

---

Myself Biswaswaraj Mallick. I am very passionate about my creating painting as i love making art. Most of my works are mainly based on experimental, and many techniques, those are possible only manual. I have complete my BFA degree form The Indian College Of Arts & Draftsmanship in Painting. I want to learn new things. Explore my creative capacity and gain different experience it's help one more step to move in my future. I am presenting some of my works to you.
