

Instructor:

Jerusha Mendes

Violin teacher with 5+ years of experience.

I am a professional western classical violinist. I have completed the Grade 8 from The Trinity School of Music London. I have studied under the best teachers around the world and developed a unique and efficient teaching strategy that allows students to easily learn the violin. I have performed at National centre of Performing Arts throughout my professional music career. I also received and won several awards and music competitions. I have been featured on BBC WORLD NEWS for a documentary on Maestro Zubin Mehta, a world class conductor, that was aired on his birthday. I have also worked with Hindustani artists like Maestro Amjed Ali Khan during his tour in Delhi.

Along with teaching, I have performed with the Bombay Chamber Orchestra and Symphony orchestra of India.

In addition to my classical roots, I have also explored jamming and improvising in various genres and have performed in cultural fests.

My main goal is to maximize my students' results by providing them with the clearest step-by-step system to violin playing. I am a strong believer in music education being fun and easy, based on the idea that anything that we do naturally, we do without effort.
